

PLUMBING PARTS

The essential range of Pre-Packed Plumbing Products

Plumbing Parts

Plumbing Parts display stands can be purchased complete with a carefully selected range of Pre-Packed Plumbing Parts, with products chosen by retailers who have expert knowledge of their customer's requirements.

Available in two convenient sizes, both stands are easy to assemble and sturdy in construction. The stands also boast an attractive finish that complements and showcases Westco's new range of Pre-Packed Plumbing Parts.

Plumbing Parts display stands can be purchased complete with a carefully selected range of Pre-Packed Plumbing Parts, with products chosen by retailers who have expert knowledge of their customer's requirements.

Available in two convenient sizes, both stands are easy to assemble and sturdy in construction. The stands also boast an attractive finish that complements and showcases Westco's new range of Pre-Packed Plumbing Parts.

PLUMBING PARTS SMALL STAND

Available as a countertop or wall hung unit, The Plumbing Parts small stand is supplied with 36 x 4" hooks to display Pre-Packed Plumbing Parts. This stand comes as a complete unit with an array of 36 carefully chosen fast-selling barcoded Pre-Packed Plumbing Parts.

PLUMBING PARTS LARGE STAND

Available as a floor-mounted unit, the stand is supplied with 65 x 8" hooks to display a comprehensive range of Pre-Packed Plumbing Parts. This stand comes as a complete unit with 65 fast-selling barcoded Pre-Packed Plumbing Parts.

WESTCO PRE-PACKED PLUMBING PARTS

Attractively packaged, Westco's Pre-Packed Plumbing Parts have been designed to increase merchant sales. They provide an eye-catching, quick, and easy answer to customers looking for a fast, effective solution. The bags are made from 30% recycled plastic to reflect our commitment to sustainable practices.

INTEGRATED TECHNOLOGY TO BOOST SALES

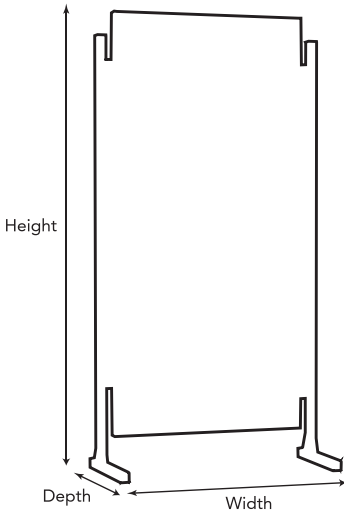

As well as showcasing Westco's Pre-Packed Plumbing Parts, the Problem Solver stands also come equipped with a QR reader which leads customers to our website and the full range of available products. With our website highlighting critical technical information and product benefits, the stands generate interest and maximise the presentation of products. Ultimately, Problem Solver Stands from Westco allow customers to find the products they need, provide inspiration and solutions, and help merchants to boost sales and profits.

SMALL STAND

STAND CODE
COMPLETE: 87126

This stand can be used as a counter top or wall hung unit. Stand supplied with 36 products (as per planogram) and hooks.

Dimensions:
Height: 1175mm
Width: 660mm
Depth:: 200mm

OUR FOUR AREAS OF EXPERTISE

THERMOSTATIC, AND MANUAL RADIATOR VALVES

The valves and fittings in our highly acclaimed heating series range from stylish chrome TRVs, to hardwearing everyday fittings which have become toolkit essentials for installers throughout the UK.

BRASSWARE

Our range of durable, high performing valves includes standard products for everyday plumbing and heating maintenance alongside a series of innovative valves specifically designed for additional safety and efficiency.

FITTINGS

WESTCO invest a great deal of time and energy in developing and sourcing products that satisfy the most demanding of plumbing requirements.

TAPS, MIXERS & SHOWERS

Combining style with practicality, our market-leading products are designed, developed and manufactured using the best materials available. We also apply stringent quality control standards to ensure outstanding reliability and the assurance of a long and robust working life.
